

Struttura monoblocco saldata realizzata con profilo quadro da 20mm e disponibile in varie configurazioni.

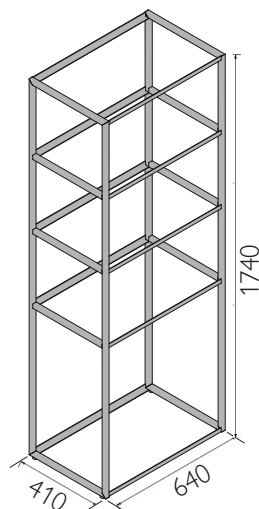

Strutture utilizzabili indipendentemente come librerie e pareti attrezzate sia per home e office.

Possibilita' di utilizzare le strutture come basamento scrivania, sia singola che condivisa.

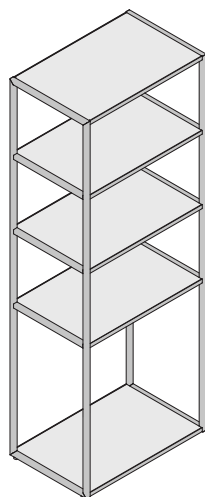

Il prodotto e' imballato e assemblato singolarmente su scatole di cartone.

Nell' installazione deve essere solo eseguita la regolazione dei piedini ed eventuale ancoraggio al muro o piani scrivania.

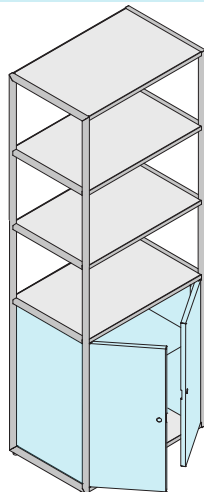

Possibilita' di avere i ripiani in legno
